

LOCAL INTELLIGENCE.

First Regiment of Michigan Lancers.

To the Editor of The Detroit Free Press.

Captain Herman Bencke and Orderly Sergeant Martin V. Borgman, have concluded to enter the "regular service" in the 18th U. S. Infantry. All "Lancers" desirous of fighting for the "Union and constitution," can enroll their names with Capt. Bencke and Orderly Borgman, who will be in the camp for that purpose. Sixteen companies are now south of Nashville, and it is expected that the entire regiment, twenty-four companies, will be with the advance of the American army, under Brig. Gen. D. C. Buell, within thirty days.
